

PREPARE FOR THE WORST, WITH THE BEST.

Survival Case

A survival kit is a collection of essential items and supplies designed to help individuals or groups survive in emergency or disaster situations.

In any survival situation, it's critical to have the good gear to support your needs. Preparing for these situations in advance can greatly increase your chances of making it through safely. Our 938, 960 & 962 cases are perfect models to keep your valuables safe.

All NANUK waterproof protective cases are made of crushproof NK-7 resin certified to withstand extreme impact and continuous vibration – in other words, are indestructible.

Also equipped with our legendary Power Claw latches and will never open accidentally. Molded with deeper ribs and taller feet, they are highly stackable.

Available for 938, 960 and 962
