Introducing the Nanuk 225 Broadhead Holder Case, an essential addition to your gear ensemble. Designed to perfectly complement the Nanuk 991 Bow Foam Case, this rugged case offers unparalleled protection for your broadheads. Crafted with durability in mind, it shields your gear from the bumps and jostles of travel, ensuring your broadheads stay sharp and ready for action.

Inside, custom foam inserts cradle your broadheads securely, preventing any movement that could dull their edges. Plus, the spacious design allows for storage of up to 12 broadheads, ensuring you're always prepared for extended outings. And with its compact size, the Nanuk 225 seamlessly integrates into your setup, maximizing space efficiency without sacrificing accessibility.
